

# 1

## What are they made of?

1. Observe the things around you.
2. Choose ten things.
3. What are they made of? What are their colors?
4. Record your observations in the table as shown below.

Things	Material	Color
pencil	wood	black

### Let's Laugh!

Son : Father, someone complimented on my driving skills today.

Father : Great! Who complimented you?

Son : I am not too sure. They left a note on my windscreen.  
It said: Parking Fine!
